

# Hosted Video Bridging & Gateway Services

**Hosted Video Bridging & Gateway Services** offer full service multi-point conferencing capabilities. Whether you need to bring together 5 sites or 25 sites, a mix of IP or ISDN, our experienced video bridging professionals are available 24 x 7 x 365 to help you coordinate, schedule, launch, record, and archive your next Video Conference.

**Choose between** dedicated IP ports, reservation based, or on-demand gateway options to suit the needs of your organization. Hosted Video Bridging & Gateway Service options can be bundled to include:

**Dial-in/Dial-out** connections allow you to specify meeting initiation by users or VSGi conferencing specialists.

**Audio add-on** capability allows you to connect non-video endpoints for full audio participation in your meetings.

**Speed-Matching and Transcoding** offers you the ability to connect sites with limited bandwidth to communicate with higher speed endpoints.

**Network Gateway Services** allow ISDN and IP endpoints to converge and communicate in the same call.

**Multiple Continuous Presence** modes allow you to choose the best visual layout for your call to ensure the right people are seen and heard.

**Content Sharing** allows you to use standards based data collaboration tools in your meeting to share content with remote participants.

**Call Monitoring** A certified VSGi conferencing specialist oversees your video conference to ensure there are no technical difficulties and to make any requested changes.

**24/7 Reservations** allow you to set up meetings on your own time, not ours.

**Standards Compliance** H.264/H.320/H.323 endpoints are supported.

**Audio or Video Recording** gives you the option to have your meetings recorded and archived for future use.

**Punctual Meetings** 98% of our calls start on time, the other 2% within 5 minutes of scheduled call.

#### **Certification, Confirmation & Billing**

We start by certifying all your video endpoints to ensure seamless connectivity; we issue confirmations of scheduled meetings, and provide detailed billing statements.
